Since 1939

Bread of Life Mission has been a beacon of hope in Seattle, offering compassion and care to those experiencing homelessness. What began as a small refuge has grown into a ministry that provides not just food and shelter, but the chance for life transformation. Today, our Life Path Program empowers men to find healing, stability, and purpose within a supportive Christian community.

In severe weather, we open our Emergency Shelter to provide mats, showers, warm clothing, and hot meals during the coldest nights of the year.

ENHANCED SHELTER

Our Enhanced Shelter offers 24/7 access, case management, counseling, and essential resources in a safe, sober, and supportive environment that helps residents move toward stable housing.
