

WHERE THE ROAD ENDS, HOPE ASCENDS

MAF Global Reach - One Year By the Numbers:

- **Over 16,000 flights** carried help and hope to those cut off from the world
- **More than 46,000 passengers traveled** to provide or receive life-saving care
- **Over 4.3 million pounds of cargo were delivered**, including medicine, Bibles, food, and supplies
- **285 ministry partners** relied on MAF to accomplish their mission
- **45,858 days of travel time** were redeemed for Kingdom impact
- **An MAF plane took off every 16 minutes**

These are not just aviation statistics. Each number represents a story of healing, rescue, and transformation—lives forever changed because a plane could land where no roads could go.

The Heart of the Mission

What fuels our flights is not just aviation. It is *compassion*.
It is *calling*. It is the belief that no one is beyond the reach of the gospel.

Our Mission

Serving together to bring help, hope,
and healing through aviation.

Our Vision

To see isolated people changed by
the love of Christ

Our Core Values

We follow Jesus

We serve together

We commit to a high standard

We value each other

**“Declare his glory among the
nations, his marvelous deeds
among all peoples.”**

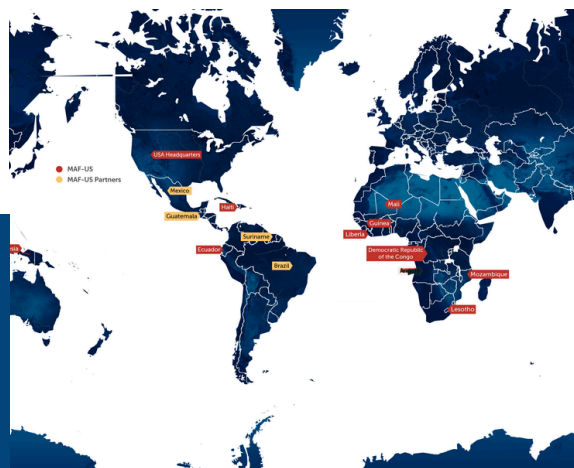

— Psalm 96:3

The MAF Fleet: Built for the Edges

Our aircraft are built for places most people have
never heard of—and likely will never reach.

Kodiak 100, Cessna 206/207/208, Pilatus PC12

These short-takeoff and landing aircraft
operate from rough, narrow strips on
mountainsides, jungle clearings, and dry
riverbeds. They are flown by trained missionary
pilots and maintained to the highest standards
because every landing matters.

**“An MAF plane is often the first
and only sign to a village that
they are not forgotten.”**
- MAF Partner, Mozambique

In remote corners of the world, this is daily life:

In some isolated villages in Papua, mothers give birth alone, hoping not to bleed to death.

In parts of Mozambique, Bible translators are grounded, unable to reach villages still waiting for the gospel in their own language.

After disasters, isolated communities wait and wait. But there are no roads. No help. No one coming.

Without Mission Aviation Fellowship, these places remain invisible.

But when an MAF plane lands, everything changes.

“MAF has allowed us access to people living in hard-to-reach areas. We have engaged tribes lately that have not had a faithful gospel witness among them for more than 35 years.”

— Aaron Kuglin, IMB Missionary in the DRC

Imagine no MAF: In Liberia, three mission aircraft would disappear overnight—planes that currently serve one of the most underdeveloped nations in the world. In Mozambique, believers would remain isolated, and disaster survivors would be left without rescue or relief. Without MAF, the sick go untreated, the hungry remain unreached, and families are left without hope.

Now imagine an MAF plane landing.

In Papua, a floatplane touches down on Lake Murray, turning a multi-day journey into minutes. A health team steps out with vaccines and midwives. The gospel is shared in the local language. Infant mortality drops from 70 percent to 5 percent.

In Kenya, orthopedic surgeons arrive by air to a remote island. In just two days, over 80 children receive life-changing treatment for cerebral palsy—care that would have been impossible to reach by foot or road.

This is what happens when compassion flies in.

In the world's most unreachable places, God's mercy still flies in.

Together, we rise to reach those waiting for healing, hope, and the gospel.

Your Generosity Can Leave a Legacy Where Hope Ascends

1. Aircraft that Carry the Gospel and Provide Hope

**Total Need
\$30 Million**

Without safe, reliable aircraft, even the best teams and tools are grounded. Many of MAF's planes have faithfully flown for decades, but they are nearing the end of their service life. Your investment ensures we can replace aging aircraft with newer Caravans. These updated planes keep flights safe, dependable, and ready to serve, so help and hope can reach those who need it most.

- Replace aging Caravans with new, reliable models
- Updated aircraft to ensure safer & more consistent service

2. Pilots and Personnel

**Total Need
\$25 Million**

Without people, planes go nowhere. The call to serve in extreme conditions comes with sacrifice—separation from family, constant relocation, and high-risk travel. Yet missionaries go anyway. What they need is support. Your gift helps raise up the next generation of pilots and ensures those already serving have the care and resources they need to keep going. Your help will sustain those who bring the gospel to the edge of the map.

- Recruit/equip pilots, mechanics, teachers, & missionary families
- Provide spiritual, emotional, and logistical support

3. The Open-Door Initiative

**Total Need
\$15 Million**

When opportunity knocks, we want to be ready. Sometimes doors open for just a moment — a new route becomes possible, a government grants temporary access, a community invites partnership — and if we are not prepared, the moment may pass.

This fund gives MAF the ability to say “yes” quickly and wisely, whether that means launching a new gospel outreach, expanding a program, purchasing a needed vehicle, or upgrading vital infrastructure.

4. Visitor Experience Center

**Total Need
\$8 Million**

Too many people never understand what isolation really looks like—or how it feels to be completely cut off from both care and Christ. This experience center changes that. By stepping into a replica jungle airstrip or hearing a mother's story of rescue, visitors will not just learn about MAF's mission—they will feel it. Your gift creates a space where hearts are stirred, young people are called, and generosity takes flight.

- Create an immersive space to bring visitors into the mission
- Inspire prayer, giving, and lives called toward global outreach

Naming Opportunities

Your generosity can leave a legacy where hope ascends

Naming grants allow you to invest eternally in what matters most:

\$10 Million

Name the Visitor Experience Center
Number of Gifts: 1

\$7.5 Million

Name Aircraft or Center wings
Number of Gifts: 3

\$1.5 Million

Support pilots, exhibit halls or hangar space
Number of Gifts: 2

\$280,000

Fund medevac kits or airstrip projects
Number of Gifts: 10

\$100,000

Sponsor missionary housing or exhibit features
Number of Gifts: 20

\$30,000

Dedicate tools or regional access funds
Number of Gifts: 100

\$10,000

Fuel grants or display elements
Number of Gifts: 100

Support the aircraft, the center, the families, and new gospel ventures. Each naming gift is a story etched into eternity.

"Store up for yourselves treasures in heaven... For where your treasure is, there your heart will be also."

— Matthew 6:20-21
